May 28, 2025

Our website (etfodotl.com) has 310 members. The website has important information for members, including upcoming Professional Learning, General and Annual meeting packages, events, and forms. DDSB has moved its On-Boarding to their website, and we are in the process of uploading our Orientation package, too. If you have not requested a log-in from the website, please do so, and encourage other members to apply.

Our Facebook page ([DDSB ETFO Durham Occasional Teachers' Local DOTL](#)) has 456 members. Ask questions, get answers, and see important announcements.

Respectfully submitted
