

Equity and Status of Women Report to the DOTL Annual Meeting 2026

The Equity and Status of Women group participated in the ETFO Durham Status of Women Dinner in April. The evening was a great opportunity to connect with our sister locals and hear the testimonies of teachers about their career in teaching and the union.

Please look for the Equity committee to start up again in September 2026. We encourage our members to contribute and participate in equity offerings throughout the school year. Many thanks to Heather, Ann, and Connie for all your support this year. Special thanks to George, who supported the work of the Equity Committee this year.

Respectively submitted:

Bev Fiddler, Equity and Status of Women Committee Chair
